Fred

What's your schedule like for the rest of today and tomorrow? I'm trying to identify times where you and Lek can meet on the options. By the way, Jose and I have taken a look and have a few edits to provide.

Thanks!

This was a rushed job, but its a start. Anything you can do to revise/expand/strengthen would be appreciated.

Please let me know how Lek would like to proceed. I will make myself available as necessary.

Thanks,
Fred
